

**Do you struggle with child-family conflict?
Is it hard for you and your child to see eye-to-eye?
Would you like to improve your relationship
with your child?**

Skills Group for Parents

A weekly educational, practical group for parents to learn more consistent and effective parenting strategies/skills in order to:

- Increase communication with children
- Decrease child-family conflict
- Improve parent-child relationships

FOR: Parents of children ages 6-18

PLACE: Newton-Wellesley Hospital, Child Psychiatry Outpatient Clinic

DATE: This is an ongoing program. Each session runs for 6-weeks

TIME: Weekly on Wednesdays 8:45 - 9:45 am

COST: \$10/session (\$45 for 6-week cycle if paid up front)

Group Leaders: Andrea Sawler, LICSW and Susan Maxwell, LICSW

Interested parents, please call 617-243-6490 for questions or to schedule an individual intake appointment.

Providers, please email referrals to Andrea Sawler at asawler@partners.org.
