

Donations to Support the Newton-Wellesley Hospital COVID-19 Preparedness and Response Efforts

How you can help:

During this challenging time, many people are looking to help the community and Newton-Wellesley Hospital. If you wish to donate items to NWH, please review the list below. **Thank you.**

Items that can be donated:

- Alcohol Wipes
- Cone Masks
- FDA/NIOSH Approved N95 Masks
- Full Face Shield
- Hand Sanitizer (8oz pump bottles)
- Nasopharyngeal Swabs
- PDI Sani-Wipes
- Protective Coveralls (with or without hood)
- Protective Eye Wear Goggles (Disposable or Reuseable)
- Surgical/ Precaution Gowns
- Surgical or Procedural Earloop Masks

Items cannot be donated if they are:

- Perishable
- Flammable
- Homemade
- Expired
- Damaged
- Opened
- Any latex products, and gloves must be powder free

To ensure that we can safely use any donated items or equipment, our safety and infection control experts need to review information about the items before they can be sent to the hospital. All items must meet quality standards

How to donate:

Please fill out the online donation form: <https://www.nwh.org/home/covid-19-donations>
