

# Congratulations!

## Here are some tips for taking mom and baby(ies) home:

1. Valet your vehicle at the West Entrance Valet Area (this entrance is closest to the patient elevator).

Valet services are available Monday through Friday, from 7 a.m. – 6 p.m.

- Please let the valet know that you are here for mom and baby pick-up. Your car seat(s) should be installed before arriving at the hospital. Leave the car seat base in the car and bring the car seat up to the floor. The valet will give you a ticket voucher to pick up your car.
2. Fifteen minutes before mom and baby(ies) are ready to leave, ask the Unit Coordinator to text page your valet ticket number to PAGER# 52922.
  3. A valet will retrieve your vehicle and have it ready where you came in at the West Entrance.
  4. When you come to pick-up your vehicle please present your ticket to the valet (there is no charge for parking) who will help you load all your belongings into your vehicle.
  5. Finally, you and your family go home!

Thank you for choosing  
Newton-Wellesley Hospital.
