

## Preoperative Education Classes Total Hip Class

The Jim & Ellen Kaplan Center for Joint Reconstruction Surgery offers preoperative education classes for patients considering surgery. The classes provide an overview of the experience – from preoperative planning to the patient’s return home. Patients and a family member or friend are strongly encouraged to attend. The classes provide more information and the opportunity to ask questions and talk to the instructors about concerns.

**You can also view our educational patient guide book, which provides an overview of total hip surgery including pre- and post-operative information, on our website at [www.nwh.org/jointcenter](http://www.nwh.org/jointcenter)**

To register for the class, call 617-243-5597 or email [nhiltz1@partners.org](mailto:nhiltz1@partners.org)
