

Preoperative Education Classes Total Knee Class

The Jim & Ellen Kaplan Center for Joint Reconstruction Surgery offers preoperative education classes for patients considering surgery. The classes provide an overview of the experience – from preoperative planning to the patient’s return home. Patients and a family member or friend are strongly encouraged to attend. The classes provide more information and the opportunity to ask questions and talk to the instructors about concerns.

You can also view our educational patient guide book, which provides an overview of total knee surgery including pre- and post-operative information, on our website at www.nwh.org/jointcenter

To register for the class, call 617-243-5597 or email nhiltz1@partners.org
