## 16. The PFAC is undertaking the following activities to ensure appropriate representation of our membership in comparison to our patient population or catchment area:

- Follow the steps and actions suggested by colleagues via the Beryl Institute and the Institute of Patient- and Family-Centered Care
- We currently host virtually meetings and members can participate via phone or Zoom.

- Encourage current members to speak with friends and members of their community, religious organizations and civic groups they may attend about PFAC
- Feature PFAC on the hospital's website to invite patients, family members and members of the community to apply for membership
- Created an electronic PFAC Application Form on the website to increase the ease and accessibility of applying to become a member
- Attend various departmental meetings to advertise PFAC and to seek assistance from staff in soliciting new, diverse members
- PFAC recruitment goals have been presented at a variety of forums within the hospital, including leadership meetings that include senior leaders, department chiefs, directors and managers.
