

Our Community Our Hospital

Pictures of Health

At Newton-Wellesley Hospital, we take pride in being your community hospital. Our doctors, nurses, technicians, medical students, employees, and volunteers all strive to provide the highest quality, most compassionate, personalized care to all who come through our doors. We do this because that's our mission—to treat and care for all our patients and their families as we would a beloved family member.

Every day, we receive comments from our patients about the care they have received. Sometimes they praise a particular physician or nurse. Sometimes they share how a diagnosis and subsequent treatment have had a dramatic impact. And sometimes they tell us how grateful they are that their lives were saved by the quick and coordinated actions of our clinical staff.

Ed Seeker, Wellesley *Husband, father, and* *Trader Joe's executive*

"I got the news on a Friday. A routine colonoscopy had revealed stage three colon cancer. My gastroenterologist quickly connected me with the Vernon Cancer Center's doctors. I underwent surgery to remove the cancerous polyp. Then 16 weeks of chemotherapy and five weeks of daily radiation. Today, I'm cancer-free, running the Boston Marathon to raise money for Newton-Wellesley. It's the least I can do for a hospital that's done so much for me."

Becca Haley, Newton *Duke University, Pre-med, athlete*

"Three weeks into my first semester at Duke, I came home sick. Newton-Wellesley's Emergency Department doctors admitted me to the Pediatric Unit. Overnight, my vitals started falling. I was in toxic shock—from a sinus infection. Four doctors worked together quickly and efficiently to save my life that night. After emergency surgery, I spent three days in the ICU. Then, I returned to Duke and finished the semester on time. I'm so grateful!"

Nancy Veeder, Newton *Artist, retired social worker and college professor*

"Walking into Newton-Wellesley's Kaplan Joint Center was a game-changer. When I met Dr. Hany Bedair, my pain was constant. I needed hip replacement surgery. A month later, I was in the operating room, under the care of a surgical team that moved with the synchronization of a symphony orchestra. I've been pain-free ever since. And here's what I learned—at Newton-Wellesley, they treat you like family."

Elizabeth Grimes, Needham *Wife, mother, daughter, attorney*

I was 30 weeks pregnant. My plan: C-section at one of the big hospitals downtown, just like I'd done twice before. But at 1:00 a.m. on October 22, 2012, EMTs rushed me to Newton-Wellesley instead. The baby had ruptured my uterus. She had 3-5 minutes of oxygen left. Dr. Kathryn Davis safely delivered my daughter and saved my life that night. Five days later, Elle and I went home, together. And I transferred all of my care to a true friend, Kathryn Davis."

These experiences are just a small sampling of the incredible work that goes on at our Hospital every day. All of these patients are truly "Pictures of Health."

At Newton-Wellesley, the pursuit of excellence is a shared endeavor, but we can't do it alone.

As a non-profit community teaching hospital, we need your support—especially in these uncertain economic times for healthcare. Our current Fund Year ends on September 30, 2014—so please make a gift to *The NWH Fund* today by returning the enclosed envelope or visiting www.nwh.org/giveonline. For more information, please call (617) 243-6243 or go to www.nwh.org/nwhfund. 🇺🇸

NWHFUND

Construction Underway for New Elfers Cardiovascular Center

Construction is now underway on the 2nd floor of the main hospital for the new Elfers Cardiovascular Center, scheduled to open in mid-2015. The Center will be a clinical collaboration with the Massachusetts General Hospital Department of Cardiology and will offer a multidisciplinary program dedicated to the prevention, early diagnosis, treatment, and rehabilitation of patients with cardiovascular diseases.

The Elfers Cardiovascular Center will build upon the excellence of our existing cardiovascular programs and add new services and expertise from Mass General cardiologists and vascular surgeons. The upgraded facilities will provide the best possible patient experience. The creation of such a center represents good news to those living in the region served by Newton-Wellesley.

Campaign Progress

The Charitable Foundation is working to raise \$7 Million toward the \$18 Million cost to help with construction and state-of-the-art diagnostic and imaging technology. To date, a total of \$6.3 Million has been raised.

L to R: Ellen Moloney, Sr. VP Senior Vice President of Outpatient Services, Dr. William Dec, Former Acting Chief of Cardiology at NWH and Chief of Cardiology, at MGH, Bill Elfers, NWH Trustee, Kerry Watson, NWH President, Stefan Parpos, MD, Acting Assistant Chief of Cardiology at NWH, and George Philippides, MD, new Chief of Cardiology at NWH

Carol and Jim Taiclet with Bill and Nancy Brady, all of Wellesley

"All of us know someone who has been affected by cardiovascular disease, and my family is no exception," says William R. Elfers, whose family's generous gift has named the Center. "This is clearly the next important step for Newton-Wellesley. This expansion will make a dramatic difference in the lives of so many in our community."

Several other donors have stepped forward to make significant leadership gifts to the Campaign. These include the Louise and Alvin Slotnick family, Carol and Jim Taiclet, Roche Bros. Supermarkets, Roxanne and David Breazzano, and the Newton-Wellesley Hospital Auxiliary.

"We are very grateful to our campaign donors, whose generous support is making the Elfers Cardiovascular Center a reality," said Joan Archer, President, NWH Charitable Foundation. "As the Center evolves, we're going to be able to treat more patients and save more lives—and do that here at Newton-Wellesley."

Please join with us to support this exciting initiative. All gifts are important and will help us reach our goal. To get involved, please contact Joan Archer at (617) 243-6243 or nwhcf@partners.org. 

New Chief of Division of Cardiology

After an extensive national search, George J. Philippides, MD has been named the new Chief of Newton-Wellesley's Division of Cardiology, effective July 1, 2014. He succeeds G. William Dec, MD, Chief of the MGH Cardiology Division, who has served as Acting Chief of the NWH Division of Cardiology since July 1, 2013 after the retirement of Dr. Joel Rubenstein.

Dr. Philippides has the reputation of being a superb clinician, excellent leader, and outstanding teacher. He has been an attending physician at Boston Medical Center for the past 20 years and currently serves as the Vice Chair for Clinical Affairs and Chief Quality Officer for the

Boston Medical Center Cardiovascular section as well as Director of the Coronary Care Unit and Associate Chief of Cardiovascular Medicine. Dr. Philippides is also an active teacher and is an Associate Professor of Medicine at the Boston University School of Medicine.

He received his BA from Yale University and his MD from Albert Einstein College of Medicine, where he was elected to the Alpha Omega Alpha Honor Society. He did his internship and residency in internal medicine at Boston City Hospital, followed by a clinical cardiology fellowship and a cardiac catheterization fellowship at Boston Medical Center. Later in his career he received a "pocket" MBA for physicians from the Boston University School of Management. He is a recipient of numerous teaching and community service awards and has been listed as a *Boston Magazine* "Best Doctor" and a *US News and World Report* "Top Doctor." 

Maternity Expansion Underway for New Mother & Baby Unit

Under the leadership of Thomas Beatty, MD, Chair of Obstetrics and Gynecology, Newton-Wellesley Hospital's Maternity Program—in collaboration with Brigham & Women's Hospital—has experienced tremendous growth over the past 10 years. Last year, over 4,000 babies were born at Newton-Wellesley, making it the third largest birthing site in Eastern Massachusetts and the fourth largest in the state. Although birth rates in Massachusetts remain constant, the demand for obstetrical services at the Hospital continues to grow. It is anticipated that growth will approach 4,500 births as more and more families come to rely on the exemplary, individualized care delivered at Newton-Wellesley.

Architect's rendering of one of the new postpartum rooms

"Newton-Wellesley Hospital is proud of its long tradition of providing excellent care for mothers and their newborns dating back to 1890 when the first child was born at the Hospital," said Dr. Beatty. "This service is central to Newton-Wellesley's mission as a community hospital."

To respond to the needs of the growing patient population, construction of a new Mother and Baby Unit on the 4th floor is almost complete. This Unit will add 12 private postpartum rooms and a 13 bed nursery, expanding capacity by 33%, which will ensure that mothers, babies and families always have access to care within a warm community hospital setting.

Partner with Us

The NWH Charitable Foundation seeks to raise \$1 million toward this expansion's \$3.3 million total cost. In the current reimbursement system, the Maternity Service is only slightly profitable; therefore, philanthropy is critically needed to help with the cost of this expansion. Naming opportunities have been developed, and we invite you to partner with us in our mission to take care of patients and their families as we would a beloved family member. For more information, please contact Joan Archer at (617) 243-6243 or nwhcf@partners.org.

Jack Forté Family Endows Chief of Pulmonary Medicine To Support Position and Teaching

To strengthen the fiscal stability of the Hospital, the Charitable Foundation is raising funds to establish endowed positions for Chairs and Chiefs in several key clinical areas. This is especially important given that these positions are at the very core of our patient mission.

The Jack Forté family recently gave \$1 Million to endow the Chief of Pulmonary Medicine in memory of Sally Forté, a grateful patient and close friend of Gustave A. Laurenzi, MD, former Chief of Pulmonary Medicine, who cared for Mrs. Forté. Currently, Dennis Beer, MD, holds this position.

Endowing this position relieves the operating budget of the Hospital and supports the leadership of the Chief, including the teaching and mentoring of physicians and other health professionals in training.

"We are most grateful to the Forté family for their long-standing commitment to Newton-Wellesley's teaching mission," said Joan Archer. "This gift honors Sally's life as well as Dr. Laurenzi's

distinguished career as an outstanding physician and teacher. The gift will enhance pulmonary medicine and medical education at the Hospital and creates a fitting legacy, which we hope will inspire others."

The Forté family had previously funded the Gustave A. Laurenzi, MD Visiting Professorship, which brings in an outstanding leader in medicine to visit the Hospital every year for several days of teaching. "Their philanthropy has done much to move our medical education program forward," added Joan Archer.

Pictured at the April 2014 Laurenzi Lecture are (L to R): Cheryl Forté, Jack and Sally Forté's daughter, Dr. Gustave Laurenzi, Dr. Martin Samuels, Chair of the Department of Neurology at Brigham & Women's Hospital, and Dr. Lawrence Friedman, the Anton Fried, MD, Chair of the NWH Department of Medicine

For more information on how you can get involved, please contact Joan Archer at (617) 243-6243 or nwhcf@partners.org.

Record-breaking \$1.2 Million Raised at 15th Annual Gala

Over 750 guests gathered on Saturday, May 10th at the Westin Copley Place for the Charitable Foundation's 15th Annual Gala, "Helping Kids Spread their Wings," chaired by Sinesia and Bill Karol of Westwood. The event raised a record-breaking \$1.2 Million to benefit the Hospital's Child and Adolescent Psychiatry Service. Designed by Rafanelli Events, the evening included a surprise appearance by the three Red Sox World Championship trophies and a special performance by Michelle Chamuel, finalist in *The Voice*, who was born at Newton-Wellesley. ♥

Team NWH Strong!

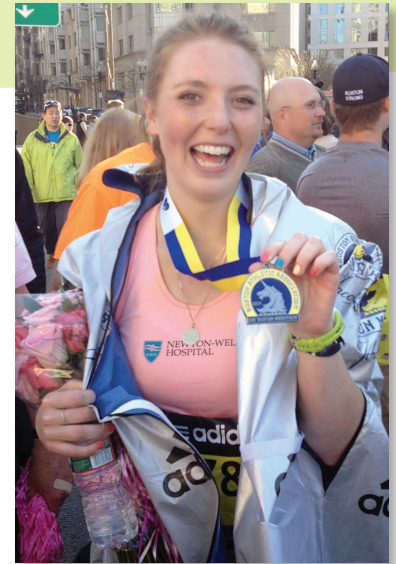

#1 Fundraiser Ed Seeker at Newton-Wellesley/Mile 17

Marathon Fever was in full force on Patriots' Day, April 18, 2014. Team NWH, 20 runners strong, participated in the 118th Boston Marathon, raising funds for the Vernon Cancer Center Patients' Fund. This Fund enables our Integrative Support Services caregivers to provide urgently needed "emergency" assistance to financially vulnerable cancer patients, helping them get through treatment without additional stress.

This year, Team NWH raised over \$75,000 – a record-breaking amount! Top fundraisers were Ed Seeker of Wellesley (\$8,596), Kelsey Merriam of Jamaica Plain (\$7,200), Heidi Angle, MD, of Wellesley (\$6,977), Joan Meagher of Salem (\$6,700) and Elizabeth Dias of Taunton (\$5,358).

Congratulations to all the members of Team NWH for your fundraising success and most importantly, for your amazing accomplishment of running the Boston Marathon! It was a day none of us will forget.

Many thanks to all who supported Team NWH! 🇺🇸

#2 Fundraiser Kelsey Merriam celebrates her finish!

Planned Giving Update

If you or a family member has benefited from the work of caregivers at Newton-Wellesley Hospital, then you know the integral role the Hospital plays in bringing high quality compassionate care to patients and families in our community.

Did you know you can help ensure Newton-Wellesley Hospital's future while achieving your own personal, financial, and estate planning goals? If you have the desire to give to the Hospital but need to retain income during your lifetime or that of a loved one, a Charitable Gift Annuity might be a good option for you.

With a Charitable Gift Annuity, you donate assets to Newton-Wellesley Hospital in exchange for annual payments for life. These secure payments are fixed in amount and will not vary with market fluctuations (see chart for an example). The amount of the payment depends on your age at the time you set up the gift annuity. What is left at the end of the gift plan will benefit the Hospital to continue its work and vision.

Charitable Gift Annuities

Example: \$20,000 Charitable Gift Annuity (Single Life)

Age	Annuity Rate*	Annual Payment
90	9.0%	\$1,800
85	7.8%	\$1,560
80	6.8%	\$1,350
75	5.8%	\$1,160
70	5.1%	\$1,020

*Current annuity rates as of June 2014, subject to change. Rates available for two person.

You may also consider deferring your payments to years when income is needed more, such as retirement. You receive a substantial charitable income tax deduction in the year that the gift is made, but because payments are deferred you enjoy a high payout rate later. A deferred gift annuity is an excellent way to make a gift and receive a charitable income tax deduction while providing income for the future.

For more information on how a Charitable Gift Annuity or a Deferred Gift Annuity would work for you, please visit www.nwh.org/plannedgiving or contact Joan Archer or Liz Gianakos at (617) 243-6751 or NWHCF@partners.org. 🇺🇸

Gifts in Action

Nancy Haas, Manager of Lux Bond & Green in Wellesley, (right) presents a check to Joan Archer

Lux Bond & Green Donation

Lux Bond & Green in Wellesley recently presented a check for \$1,175 to the Charitable Foundation to benefit the endowment for the Child & Adolescent Psychiatry Service. The donation is a portion of the sales from a Simon Pearce event that the store hosted in November.

David Mendelsohn with a basket of candy he has been selling to benefit the Vernon Cancer Center

Candy for Cancer

David Mendelsohn, who attends Newton North High School, wanted to do something to raise awareness of the the excellent care provided at the Vernon Cancer Center. So he decided to sell candy at school to raise funds. To date, he has donated over \$1,500 to the Center!

Ryan Nadeau with some of the toys he received for the kids in the Hospital

Birthday Giving

Ryan Nadeau of Wellesley turned 8 last year, and in lieu of birthday gifts, he asked his friends to bring toys and games for the kids in the Hospital. What a wonderful lesson in giving to others – Ryan and his friends have learned the true meaning of philanthropy.

Kay Gallant on a recent visit to NWH with some of her knitted caps.

Knitting for Babies

Over the past few years, Kay Gallant, 95, has knitted over 200 caps for the newborn babies at Newton-Wellesley. She and several friends at North Hill started knitting caps several years ago, but now she is the only one still knitting. We are so grateful for her devotion to our newborns!

Some of the Snowman Goody Bags organized by Catching Joy

Goody Bags for the Kids

Catching Joy teamed up with The Blue Bunny Bookstore in Dedham for a special opportunity for kids to make snowman goody bags for children in the Hospital. The bags contained coloring books, crayons, markers, notebooks, pencils, play dough, puzzles and little toys/trinkets.

L to r: Stephanie, Nancy and Alexandra Barmakian

Barmakian Family Tradition

The Barmakian Family of Walpole brought toys, games, coloring books, and fleece blankets for the kids on the Pediatric floor. For the past 18+ years, the family has been making this wonderful donation in memory of Nancy Barmakian's sister, who passed away in 1990 after an extended hospital stay.

The following individuals and organizations are a sampling of those who have made recent gifts for pediatric patients. Many thanks for these generous donations - they truly make a difference! These gifts are used by the Child Life Specialists to distract, calm, and cheer-up kids who are at the Hospital for tests, outpatient procedures or admitted to the Inpatient Pediatric floor. **Tenacre Country Day School . . . Newton-Wellesley Hospital Charitable Foundation Annual Donor Report – Fund Year 2013 (October 1, 2012 – September 30, 2013)

Dear Friends,

We are tremendously grateful for your generous support of Newton-Wellesley Hospital this past Fund Year. With over \$8.78 Million in gifts and pledges from individuals, corporations and foundations, your philanthropy has enabled the Hospital to continue providing exemplary care to our community.

As a non-profit institution, we must depend on your philanthropy to help provide the “margin of excellence” that distinguishes Newton-Wellesley Hospital from other teaching community hospitals in Massachusetts. In fact, since the Foundation was established in 1999, over \$100 Million has been raised to help transform the Hospital’s facilities, technology and programs. Our patients are the direct beneficiaries of your generosity.

Thank you again for your support. You are helping to ensure that Newton-Wellesley Hospital will continue to fulfill its mission of treating and caring for our patients and their families as we would a beloved family member.

Sincerely,

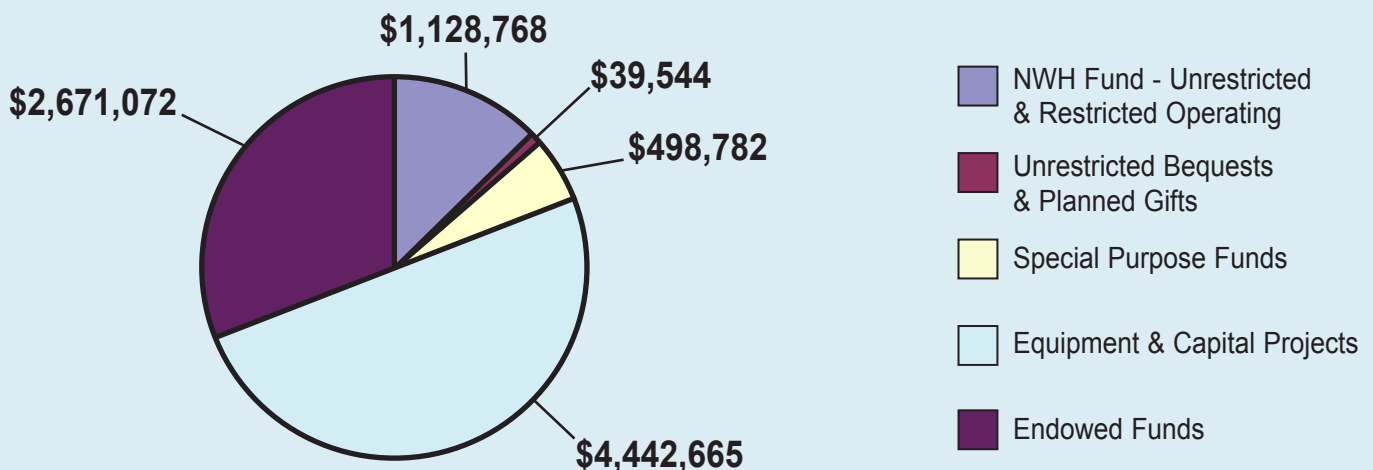

Mark R. Belsky, MD, Chairman
Newton-Wellesley Hospital Charitable Foundation

Joan Archer, President
Newton-Wellesley Hospital Charitable Foundation

Fund Year 2013 Distribution of Gifts

Donor Honor Roll

We thank the many donors listed below for their very generous support of Newton-Wellesley Hospital this past Fund Year. Gifts, pledges, and pledge payments of \$500 or more given from October 1, 2012 to September 30, 2013 are listed. Giving within that time period is cumulative and may represent gifts to different funds. Thank you once again for your support.

Your philanthropy truly makes a difference.
