

RUNNING STRONG

Newton-Wellesley Hospital sponsors a series of FREE workshops, lectures and clinics geared to runners of all levels, held periodically throughout the year, to help athletes avoid injury and maximize performance.

FREE POST-MARATHON ATHLETE INJURY CLINICS

Newton-Wellesley Hospital
East Entrance, 2014 Washington Street, Newton

Newton-Wellesley is teaming up again with the Boston Athletic Association to offer a free injury clinic providing diagnosis and treatment of injuries that are the result of participating in the Boston Marathon. The Clinic staff is a multidisciplinary team with extensive knowledge and experience in sports medicine and running injuries.

Tuesday, April 18 • 5:00-7:30 pm

Tuesday, April 25 • 5:00-7:30 pm

Appointments are encouraged. Walk-ins are welcome. Appointments can be made by emailing carefinder@partners.org or by calling **617-243-6383**.

Follow members of the Newton-Wellesley Hospital team as they share their training experience at www.nwhmarathon.blogspot.com.

Newton-Wellesley Hospital, official medical provider of the Boston Marathon.
