

FREE Skin Cancer Screening

Tuesday
May 16, 2017
6:00 – 8:00 p.m.

Newton-Wellesley Hospital
East Entrance Lobby
Wikstrom Surgical Center
2014 Washington Street
Newton, MA 02462

Skin cancer is the most common form of cancer in the United States.

More than one million cancers are diagnosed annually.

Make your appointment for a free skin cancer screening by a Newton-Wellesley Hospital dermatologist.

Appointments are required. For more information or to schedule an appointment, call [CareFinder](tel:617-243-5900) at 617-243-5900.
